ROUTE INFO

Using the marshmallow launcher that you created during your last Road Block, launch marshmallows at a bucket placed on top of your teammates head!

The bucket must be touching the top of your partner's head, and you must get 3 marshmallows into the bucket before you can receive your next clue!

THE AMAZING RACE

ROAD BLOCK

Using the materials in this box, build a marshmallow launcher, just like the example found on the table.

Bring it to the judge when you are done for inspection, then you'll receive your next clue.

Who is
the better
builder?

THE AMAZING RACE

ROUTE INFO

Somewhere in this yard is a tree with a ribbon tied around it in your team's color. Scattered near the base of the tree are coins. Find a coin bearing the birth year of the birthday boy and bring it back to the mat to receive your next clue!

THE AMAZING RACE

ROUTE INFO

Your shoes have been scattered throughout the front yard. You and your teammate will need to find your shoes, put them on, and race back to the mat for the first clue.

But here's the catch: You cannot touch your own shoes (with your hands!), your partner must help you put them on, and tie them, and you must do the same for your teammate!
