

TRUTH OR DARE FOR KIDS PARTY GAME

How to Play

This game is designed for 4-8 players.

You'll Need:

- Print the list of questions and dares.
- Cut out each question and dare into its own strip, fold in $\frac{1}{2}$, and place in bowls (one for truth questions and one for dares) for guests to pick from.

To Play:

- Each player takes a turn and is asked, "Truth or Dare?"
- If they are brave enough to give a truthful answer, they can choose one of the truth questions, read it aloud, and tell the group their response.
- If they'd rather go for the dare- they can choose one of the dares, read it aloud, and perform the action requested!
